# FEE COLLECTIONS, APPEALS & DONATIONS.

Electoral Reform Services Ltd (ERS) has assisted organisations with financial transactions for over 15 years. We have robust procedures in place to ensure secure and accurate processing.

Working in a secure in-house environment, our payment processing team can accept direct debits, online/telephone card payments, cheques and cash. This guarantees a three-day turnaround from payment receipt to banking.

To ensure confidence in our processes ERS is PCI-DSS compliant and holds a certification with ICO for data protection.

## We also provide:

- Design and personalisation of forms
- Data segmentation (to enable tailored messaging)

- Checks on respondents against your database
- Complete audit trail
- Manual checks and full verification of all cheques received
- Daily scans of payment slips and files
- Optional “thank you” letter processing services.
